Nominating Committee;

I would like my name to stand for the position of "Director" for Yellowhead Gas Co-OP at the AGM elections in April 2024.

I have attached my resume, Criminal Record verification and some, not all, information supporting my involvement as a community volunteer on many boards within Yellowhead County and the Town of Hinton.

I believe my experience supports my interest in being a "active" and "participating" board member.

Thank you for your consideration;

Yours truly,

Jack Williams
