Yellowhead Gas Co-op

RE: Director position

Please consider my application for the Director position. I believe that my skillset and experience match well with your needs. I have included my resume for your review and look forward to continuing with Yellowhead Gas Co-op.

Through out my time here, I have worked to achieve results. I enjoy problem solving and utilize my abilities in director collaboration, financial management and strategic planning to ensure that I help meet the Co-op's goal of providing natural gas service to it's members safely, efficiently and cost effectively.

When Alvin Acorn approached me to be a Director of the Gas Co-op I felt honoured and privileged and remain so to this day and I would like to continue to be part of it.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jody Karlzen', with a stylized flourish extending to the right.
