Team Player
Organization

Objective

Experienced natural gas plant operator and dedicated board member seeking the opportunities to contribute expertise in gas operations while leveraging leadership skills acquired through board service.

Experience

2011-Present

Lead Natural Gas Plant Operator

Responsibilities:

- Operate and maintain natural gas plant equipment to ensure efficient and safe production.
- Conduct routine inspections, diagnose equipment malfunctions, and perform necessary repairs minimizing down time.
- Monitor plant processes, adjust controls as needed and ensure compliance with safety protocols and environmental regulations.
- Collaborate with team members to optimize plant performance and troubleshoot operational issues

2013-Present

Board Member

Responsibilities:

- Provide strategic direction and governance oversight.
- Contribute to the decision-making process regarding cooperative policies, financial management, and community engagement initiatives.
- Advocate for member interests and participate in discussions to enhance the cooperatives services and operations.
- Engage with Stakeholders to foster positive relationships and promote the cooperatives mission and values.

Community Involvement

- Part of the Evergreen elementary school playground building committee.
- A member of the Kinsmen for 5 years, who were a active part of the community, providing support throughout the community.
- Active volunteer with multiple community and sports programs.

Interests:

- A Motor biking enthusiast with a passion for exploring scenic routes and attending biking events.
- Spending time with family creating lasting memories.
- Enjoys traveling, discovering new cultures, cuisines, and landscapes.

References

Available upon request.

My name is Michale Gohmann, I moved to the Edson area in 2001 and have been an active member of the community since day one. Along with my family, we are actively participating in many of the sports programs, from supportive parents, helping with fundraising, organizing and general support wherever needed. The past for years my family has billeted a junior hockey player, providing more hen just a place to stay, we felt it important to provide a family environment for them to thrive in. As an independent contractor I have experienced the ins and outs of running a business while making safety and time optimization a priority. My business allows me to give back to the community and with my understanding of the importance of safety, I make annual donations of first aid kits to local sports programs, helping to create a safe environment for the kids.

As an active board member for the last 10 years, I would like to continue to help educate our members about the Co-op's goals and protect their best interest both financially and honorably. I feel as a board member it is my responsibility to ask questions holding the Co-op the highest of standards.
